Dear Sir:

You have probably heard that our Baseball League opens their playing season on May 5, 1940, on this day The Newark Eagles will be playing The New York Black Yankees at Ruppert Stadium, Newark, N. J.

I am writing to ask if The Bordentown Band will be able to participate, as of last year and what will be the cost for their services.

Sincerely hope you are enjoying the best of health. With kindest personal regards.

Yours very truly,
